# READY TO RIDE TOPEKA METRO!

## HOW TO RIDE

---

### ROUTE IDENTIFICATION

- All buses have signs on the front, above the windshield and on the curb side, near the front door. The sign displays the route name and number.

### LOCATING A BUS STOP

- Passengers on the fixed-route system will be allowed to board or exit a vehicle at designated bus stops along the route.
- Topeka Metro's My Transit Ride has real-time bus tracking. Find it at the top of Topeka Metro's homepage of our website at [www.topekametro.org](http://www.topekametro.org) to locate your bus.
- All bus stops have a sign, and some have a shelter or bench. For safety reasons, buses will not stop in active construction or roadwork areas to pick-up or drop-off passengers.
- Buses will also not pick-up or drop-off passengers within 1 block of the Quincy Street Station.

### GETTING ON THE BUS

- Arrive at your bus stop prior to the posted time. Too early is better than being late and missing the bus.
- Have your fare and reduced fare ID ready upon boarding.
- Wave to get the attention of the bus operator so he/she knows you want to board.
- Stand back from the curb when the bus is approaching.
- Always board the bus through the front door.
- Alert the operator if you need to use the ramp to board the bus or if you need the bus kneeled. Kneeling the bus lowers the height of the first step. Please stand back while the ramp is being deployed.
- Upon boarding, put your fare in the farebox and take a seat immediately. Remain seated at all times.
- If you utilize a wheelchair or scooter, the operator is required to secure it prior to moving the bus. Seats and wheelchair locations at the front of the bus are priority seating for elderly and disabled passengers.
- If you have a bicycle, it is your responsibility to secure the bicycle on the exterior rack. Bicycles are not permitted inside the bus.

### GETTING OFF THE BUS

- Pull the bell cord above the windows or push the yellow call strip about a half block prior to your desired stop.
- Remain seated and wait until the bus comes to a complete stop before attempting to exit.
- If you utilize a wheelchair or scooter, please do not remove the securements before the bus is stopped.
- Whenever possible, exit the bus by using the rear door allowing passengers to board through the front door.
- If you have a bicycle on the rack, do not forget to remove it. Remind the operator you will be removing your bike.
- After you exit, stand back from the curb or on the sidewalk until the bus has safely pulled away.
- For your safety, never cross the street in front of the bus.

### TIPS FOR PASSENGERS

- Arrive at the bus stop early.
- You must be at a designated stop when the bus arrives, or it may pass you by.
- Be patient. A bus is considered on time up to 5 minutes after the posted timepoint.
- Have your fare ready before the bus arrives.
- Always remain behind the Standee Line when on the bus.
- Service materials are available in accessible formats, such as large print or braille, upon request.
- Bus operators are a good resource of information and are willing to help. If you are confused or need assistance, please ask. However, please do not engage the operator in personal conversation that will take his/her concentration off safely operating the bus.

# ADA COMPLIANCE & ACCESSIBILITY

## ADA

All Topeka Metro buses are fully accessible for persons with disabilities, making them easier to ride for everyone. All fixed route buses can kneel to curb height. Fixed route and paratransit buses can deploy a ramp or lift; just ask the operator.

Fixed route buses have two wheelchair securement areas, with lap and shoulder belts; priority seating in front for the elderly and persons with disabilities. All buses have automatic annunciators that call out stops along the route. Our accessibility information is located on our website at [www.topekametro.org/about-metro/accessibility--ada](http://www.topekametro.org/about-metro/accessibility--ada)

## REASONABLE MODIFICATION

Topeka Metro makes reasonable modifications to its policies, practices, or procedures when necessary to avoid discrimination on the basis of disability, or to provide program accessibility to our services, subject to several exceptions. Requests should be made in advance, if possible. If it is not possible to make a request in advance, operating personnel will make a determination whether to grant the request at the time it is made.

Topeka Metro is committed to ensuring that no person is excluded from participation in, or denied the benefits of, or otherwise subjected to discrimination under its programs and services on the grounds of race, color, or national origin in accordance with Title VI of the Civil Rights Act of 1964.

# METRO ON-DEMAND SERVICE FOR SOUTHEAST TOPEKA

**DO YOU OR SOMEONE YOU KNOW  
LIVE IN SOUTHEAST TOPEKA?  
YOU COULD BE RIDING THE MOD  
(METRO ON-DEMAND) FOR ONLY \$2.00  
FOR A ONE-WAY RIDE!**

January 30, 2024 marked the first anniversary for Topeka Metro's MOD microtransit service. This curb-to-curb ride share service is a convenient, quick, more personalized way to get to where you want to go in your area. Passengers can ride from point-to-point within the geographical zone. (See an enlarged map of the zone at [www.modtopeka.app](http://www.modtopeka.app)).

The boundaries of the current MOD service range from the north border of I-70 to 1-35 and SW 29th Street to Croco Road to Kansas Avenue from I-70 to 25th/29th and then Topeka Boulevard south. You can even connect and transfer to Topeka Metro's fixed route system to travel outside of the MOD zone.

Booking your ride is EASY! Either download the MOD Topeka mobile app on your mobile phone, or go to [www.modtopeka.app](http://www.modtopeka.app) and schedule your ride online. You can also call Customer Service at 785-783-7000, and press Option #5.

Payment is \$2.00 -- if you use cash, you must have the EXACT amount, as bus operators do not carry change. Cash-paying customers book a ride and then pay the operator when boarding. Credit and Debit cards are accepted, but only on the MOD mobile app or on the MOD website at [www.modtopeka.app](http://www.modtopeka.app). Customer Service can answer your questions, but cannot process payments.

Try us out! You can get to the grocery stores, medical or dental appointments, shopping, work, restaurants and more--all in the southeast area of Topeka!

*download* THE MOD APP.  
*schedule* YOUR RIDE.  
*pay* AND YOU'RE ON YOUR WAY!

# FIND YOUR BUS WITH MY TRANSIT RIDE!

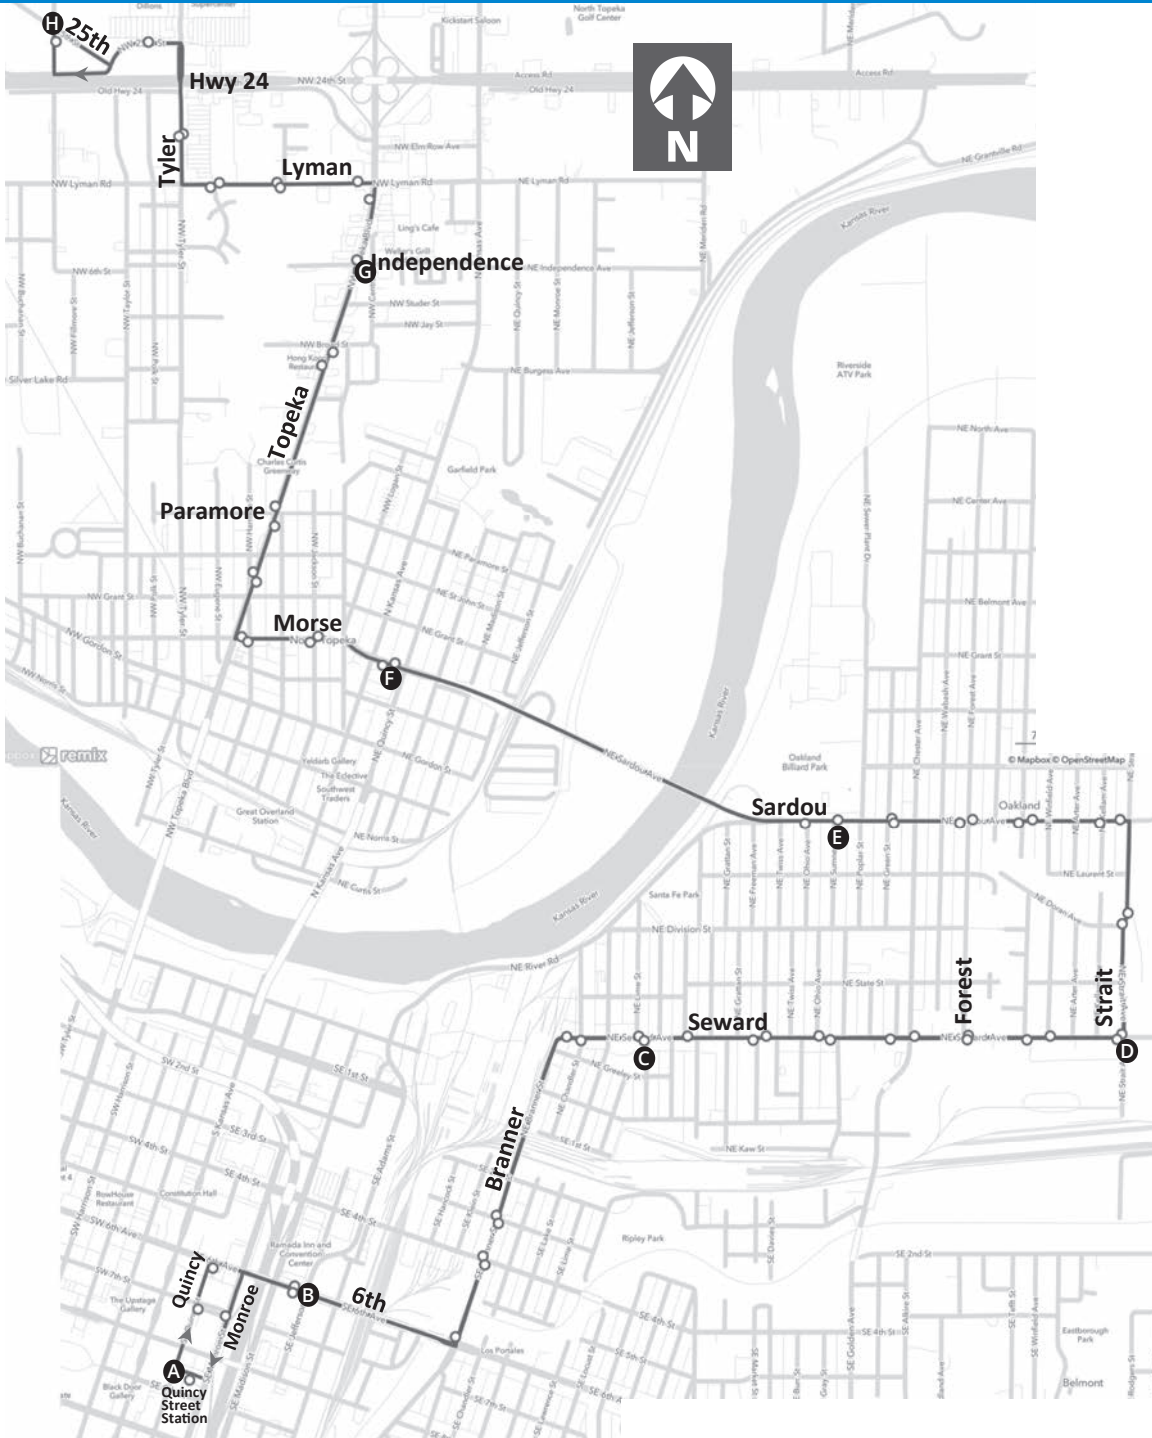

Topeka Metro has launched a new real-time bus tracker from Strategic Mapping called “My Transit Ride”. The GPS-based bus tracking system allows passengers to track the location of any bus and route from their desktop or smart mobile devices. My Transit Ride will take the place of DoubleMap.

Passengers can also receive predicted arrival times as well as notifications such as detours, general service announcements, weather-related issues and more.

You can find and launch My Transit Ride from the link at the top of Topeka Metro’s home page of our website. Add My Transit Ride to your device’s home screen for a quick launch of the tracker by typing in “[topekametro.mytransitride.com](http://topekametro.mytransitride.com)”.

Once you access the map, you can enter an address, stop ID or search by route. Tapping on the bus icon provides information about that bus, and tapping on a bus stop provides arrival time(s).

# 24-HOUR BUS PASSES: MORE BANG FOR YOUR BUCK!

**\$4.00 - ADULT**  
**\$3.00 - STUDENT**  
**\$2.00 - REDUCED**

Have you used a 24-hour pass yet? The 24-hour passes are a great way to get around on the bus. You can purchase a 24-hour fare and run errands, attend medical appointments, or go shopping. For example, purchase a pass at 1 p.m. on a Monday, and you are good to go until 1 p.m. on Tuesday.

The 24-hour pass can be purchased at the farebox or at the customer service window. They are also available at Dillons and Hy-Vee customer service counters. The 24-hour pass expires 24-hours after being initiated by the farebox and the time period will skip over days Topeka Metro is closed for service, and can only be used on any of the fixed routes.

For more information, check out the fares section on our website at <https://www.topekametro.org/about-metro/fares>.
