- Q1. Would the Firestone 315/80R22.5 tire size be an approved alternative tire to the B305/85R22.5 tire size for the Gillig Low Floor buses listed in your RFB?
- A1. Topeka Metro prefers the B305/85R22.5 tire size specified in the RFB at 487 Revolutions Per Mile, but Topeka Metro will consider the Firestone 315/80R22.5 tire size as an alternative for the 26 Gillig Low Floor buses.
