**DISADVANTAGED BUSINESS ENTERPRISES (DBE) CERTIFICATION**

This contract is subject to the requirements of Title 49, Code of Federal Regulations, Part 26, *Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs*. The national goal for participation of Disadvantaged Business Enterprises (DBE) is 10%. Metro's overall 2022-2024 goal for DBE participation is 1.62%; the race neutral goal is 1.25%, and the race conscious goal is 0.37%. There is no contract goal for this procurement.

The contractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of this DOT-assisted contract. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as Metro deems appropriate. Each subcontract the contractor signs with a subcontractor must include the assurance in this paragraph (see 49 CFR 26.13(b)).

The contractor is required to pay its subcontractors performing work related to this contract for satisfactory performance of that work no later than 30 days after the contractor's receipt of payment for that work from Metro.

The contractor may not hold retainage from its subcontractors.

The contractor must promptly notify Metro, whenever a DBE subcontractor performing work related to this contract is terminated or fails to complete its work, and must make good faith efforts to engage another DBE subcontractor to perform at least the same amount of work. The contractor may not terminate any DBE subcontractor and perform that work through its own forces or those of an affiliate without prior written consent of Metro.

See 49 CFR 20.400.]

**Topeka Metropolitan Transit Authority  
Absolute Pest Control, LLC Experience/Qualifications**

Absolute Pest Control has been in business since 2018 when we started in Lyndon, Kansas. We grew steadily the first three years by acquiring accounts in the Topeka, Osage Co, Lyndon, Ottawa and Douglas Co areas. While growing our book of business, we maintained and added several certifications to our portfolio.

In 2020, we decided to sell the book of business and move to the Kansas City area where we felt we could expand exponentially. We have out performed our expectations growing faster than planned. Since we're familiar with the Topeka area, we feel confident and excited to return and grow with new partners.

We are members of both the Kansas and Missouri Pest Control Association as well as the National Association (NPMA).

Our understanding of this type of bid runs concurrent with other "like" services which is why we were able to grow quickly. We're knowledgeable, flexible, professional, energetic and eager to commit to Topeka Metropolitan Transit Authority.

Our growth speaks for itself. We perform every type of service from the insignificant to the most difficult and labor intensive. Attention to detail and networking is what got us here. We look forward to serving you and forming a partnership that will last for years to come.
