

Planning Board Report

May 2018

Ridership Table Notes

- This is the first report that provides comparisons for new fare types that started in April 2017. Due to this, you may notice some very high % change numbers.
- Line 19: With 2 months left in FY18, our total fixed route ridership is outperforming last year by 2%.

MetroQuest online survey complete

- Statistics not available at the time of completion of this document.
- Information to be provided at the Board meeting.

Bus Stop Guidelines revised draft

- Updated maps and language to indicate location of high ridership and ADA-compliant stops.
