Concrete Pads for Bus Stops Phase 8.3
Questions and Answers
December 21, 2018

- Q1. Are all sites tear out and replace with the same dimensions?
A1 No, these are all new construction. The dimensions and specifications of each site are listed in Appendix 3.
- Q2. What does the warranty need to cover? We don't warranty against cracking or scaling.
A2. The warranty covers craftsmanship. If a pad cracks due to the manner in which it was built, it would need to be replaced under warranty.
- Q3. Is bonding required for this contract?
A3. No.
